# About the Tournament

The InterNATIONAL tournament is a great opportunity to play some basketball for the first time, the first time in a while or just play some more basketball if you're already a regular! The general concept is that you grab some buddies and represent your nation of choice. If you were born outside the UK or you have family or friends born outside the UK why not play for them! If you were born in the UK then why not represent your home nation of choice!

Entry is free as we want the tournament to be open and accessible to everyone in the communities across Sheffield. All you need to do is send us the completed form and get yourself to the English Institute of Sport South Yorkshire's premier indoor facility and join in the fun!

The junior under 16 tournament runs from 9am till 1pm with the open age competition starting at 1pm till 6pm. Confirmation of tip off times, tournament rules and other important information will be sent out upon entry. You can have a maximum of 5 players per team and there are no restrictions on gender, age or ability level. Not all 5 players have to be from the country you wish to represent and no proof of affiliation to that country is needed! So don't delay enter today before all the team spots are filled!

## About Sheffield Basketball

The InterNATIONAL basketball tournament is being held in conjunction with Sheffield Basketball League, England Basketball, One Health Sharks Sheffield, South Yorkshire Sport and the official event sponsor

Broadsword. All partners are keen to

promote a growth of the game of basketball across the city and the county as a whole and for more information on activities and other options to play more basketball please go to [www.sheffieldbasketball.co.uk](http://www.sheffieldbasketball.co.uk), [www.englishbasketball.co.uk](http://www.englishbasketball.co.uk), [www.sharksbasketball.co.uk](http://www.sharksbasketball.co.uk) or find each partner on facebook or twitter.
